

# TECHNOLOGY

## Be my robot

### HOW TO CREATE YOUR ELEMENTS

#### STORAGE

The simplest way to store the elements is to put them in an envelope.

#### CRAFT THE ELEMENTS

##### A. Print the Annexes

- Print the file BE MY ROBOT\_storytelling element.
- Cut out the Symbols for movement.
- Attach them with the paperclip.
- Put the symbols, the Table, a list for drawing an ideal robot and a blank A4 sheet in a big envelope.
- Print one more table where pupils can draw their own symbols
- As one box is for two pupils, do it once again.

Co-funded by  
the European Union

# TECHNOLOGY

## B. Create the code to show to the class

Using the symbols, create your own code.

Example:

## C. For Sequence 2

Print out more (5-6 lists) of symbols for creating sequences.
